

Collaboration

For our literature circle, we will collaborate in small groups and as a class to reach a broader perspective on the ways in which our society marginalizes members of the community (excludes and includes).

When will collaboration be helpful? What will collaboration look like?	What makes collaboration difficult?
<ul style="list-style-type: none">-Talking to each other-writing-helping each other	<ul style="list-style-type: none">-not talking-disagreeing-not helping each other
What I need from my group to be successful?	What do others need from me to be successful?
<ul style="list-style-type: none">-Everybody to be talking	<ul style="list-style-type: none">-helping in the group more

Define Collaboration: A group helping each other to get the work done.

Collaboration

For our literature circle, we will collaborate in small groups and as a class to reach a broader perspective on the ways in which our society marginalizes members of the community (excludes and includes).

When will collaboration be helpful? What will collaboration look like?	What makes collaboration difficult?
<p>In a big Project A group of people all working together and giving ideas to</p>	<p>People not paying attention. Doing nothing and making one person do everything</p>
What I need from my group to be successful?	What do others need from me to be successful?
<p>For everyone to be heard don't fight over who is who's and who's right.</p>	<p>My Attention My Commitment My ideas. Me helping.</p>

Define Collaboration: Multiple brains working together on one assignment together. People working together and getting ideas

Collaboration

For our literature circle, we will collaborate in small groups and as a class to reach a broader perspective on the ways in which our society marginalizes members of the community (excludes and includes).

When will collaboration be helpful? What will collaboration look like?	What makes collaboration difficult?
<p>Collaboration would be helpful during group work and during table discussions.</p> <p>collaboration looks like working together with one or more people.</p>	<p>What makes collaboration difficult is people having many different people with different ideas and having to choose one makes it difficult.</p>
What I need from my group to be successful?	What do others need from me to be successful?
<p>What I would need from my group to be successful is being able to communicate with them and for them to get their work done.</p>	<p>others need me to get my work done and share my ideas and support others.</p>

Define Collaboration: collaboration is two or more people working together in a group to accomplish a goal

Collaboration

B

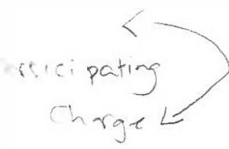

For our literature circle, we will collaborate in small groups and as a class to reach a broader perspective on the ways in which our society marginalizes members of the community (excludes and includes).

When will collaboration be helpful? What will collaboration look like?	What makes collaboration difficult?
<ul style="list-style-type: none">- discussing ideas- looks like people engaged on the topic- Asking for ideas- Will look like people hearing and writing down main points of topic	<ul style="list-style-type: none">- not discussing<ul style="list-style-type: none">↳ not sharing ideas- People not confident or engaged.<ul style="list-style-type: none">↳ not trying- People not listening.- People not fitting in.
What I need from my group to be successful?	What do others need from me to be successful?
<ul style="list-style-type: none">- People building on others ideas<ul style="list-style-type: none">↳ working together- Group actively listening to others.- Making others fitting into the group.	<ul style="list-style-type: none">- Joining in on the conversation.- Providing ideas- full and understanding attention.

Define Collaboration: People or a group working together, discussing a topic(s).

Collaboration

For our literature circle, we will collaborate in small groups and as a class to reach a broader perspective on the ways in which our society marginalizes members of the community (excludes and includes).

When will collaboration be helpful? What will collaboration look like?	What makes collaboration difficult?
<ul style="list-style-type: none"> - when working on assignments / projects / essays / any work that can help you and also other people get better ideas - People working productively - everyone doing equal amount of work - contributing ideas 	<ul style="list-style-type: none"> - group leader - Someone not participating - One person in charge - no one giving ideas 
What I need from my group to be successful?	What do others need from me to be successful?
<ul style="list-style-type: none"> - everyone contributing / giving ideas - getting along 	<ul style="list-style-type: none"> - paying attention / no goofing around - doing work

Define Collaboration: people working together productively, everyone contributing
and all doing equal amount of work. No group leaders.
