CHARLOTTE

Charlotte Amélie

- We loved the name;
- it is a very feminine pretty name;
- great characters in history with 'Charlotte'

Charlotte Bronte.

Charlotte's Web.

Charlotte (Charlie) from Top Gun. (LOL).

- when you were born - it suited you perfectly,

- Amélie is a family name that Dad loves.

- Amélie is the french form of Amélie and worked with our tradition of middle names.

Isabelle.

Amélie.

- and Amélie was a great movie.

- again perfect for Charlotte.

Meryckx got his name from the Belgian cyclist Eddie Merckx. Meryckx's dad is half Belgian so we wanted something from his heritage. We liked the name but thought it needed the y added in the middle. Eddie Merckx's son, Axel Merckx, is the one who started up the Grandfondo in Penticton and on the day of the very first one Meryckx got his picture taken with Eddie Merckx. We love Meryckx's name and think it suits him just right!

Ryder

The meaning of the name Ryder is knight or mounted warrior. We wanted to find a name that was different and couldn't be shortened too much. We found the name Ryder in a baby name book and knew right away it was the perfect name for a perfect baby.

We love you lots! ♥

My grandmother named me. She asked my mom and dad if she could.

She loves the name Hudson. It's a strong, brave name.

Peter - you are named Peter after Peter - because he is your Dad's favourite relative, Peter, (Uncle Peter) is your great-uncle.

William - your middle name is William because it is your dad's middle name, and your papa's middle name. It was also your great-grandpa's middle name and your great-great-grandpa's middle name.
